PRESIDENTS BIT

Well what a whirl wind this last 3 months has been. It doesn't seem that long since the last newsletter but so much has happened.

Gawler Show

A small turnout unfortunately, but good quality horses who put on a great show with Michael Keogh as Judge, and with Kerry and Highgate Flash Benjamin (Hugo) again taking out Supreme Champion. Michael's judging was professional and thorough throughout the event and his commentary on the microphone added to the whole presentation for the large audience. I enjoyed the day, the quality of workouts, the results as well as the Judge's involvement when he took the reins at the end of the long reining event and gave a demonstration on how he would drive a horse that he has never driven before.

The Royal Adelaide Show

In my passion for harness and the Clydesdale I always seem to try and do more and more each time. Every time I aim high I feel as though I might have bitten off more than I can chew. But somehow we manage. We burn ourselves out, we fray at the edges and snap at our friends. But in the end we sit back with a great sense of achievement and stronger friendships from the experience.

I would like to take a moment to thank Kerry Piotrowski for allowing us to have Hugo as part of our harness team this year. I know Kerry would say that she was the winner in the arrangement, but as a whole we managed to tick off a few more things on the to-do list:-

- Kristian competed against me with a pair, and yes he won!
- We had 3 single horses out competing in one event.
- We even drove in the Tradesman's Turnout Teams event for the first time.

Our new boy Jet successfully competed in the novice event and behaved beautifully for his first show.

The Sutherlands lent us a brake, which enabled us to compete in more events. It was the lucky vehicle. Kerry won the Lady driver event at her very first harness show. And Maddy won the Junior heavy driver in the same vehicle. The Sutherland family were notably absent from the Royal this year but I'm sure after a break for their son Jack's own horse passion they will be back.

Lynette Fritsch set the bar again with beautifully turned out horses. Lynette winning the Multiple Turnout with her pair, Bill did his job winning Champion Single Turnout and the 3 boys, Bill, Hugo and Monty put on a show in the teams event.

Howard's new harness and vehicles looked a treat and Frank had amazing presence on the arena. With the horses Howard and Susan have bred themselves just starting their harness careers, they will have a very competitive team next year. There is nothing better than succeeding as owner, breeder and driver.

We had a number of volunteer helpers across the show, such as Mike Thiele assisting Howard, Kerry's friend Stephen, my brother-in-law Damien as always ready and willing to do whatever job is needed from mucking out stables to assisting in the ring, as well as the quiet helpers who are just there to support. Anne Potter as always was there with bells on, it's not a Royal without Anne there!

PRESIDENTS BIT continued

With the ups, there are the downs, and this month we lost a great horse and dear friend. It is incredibly difficult to write about losing Bill. I remember when Howard and Susan lost Bess how deeply it hurt them. I have never mourned a horse as much as Bill, even when we lost our stallion Harry or I lost my dog Ringer years ago. I guess the success we had together, the hours of training, feeding and caring for him created a bond and attachment stronger than I thought possible. Knowing that I may read this makes me think twice about saying too much in case I upset myself, but he was our most successful horse and all of my children, nieces and nephews all grew up with him and loved him too. I will forever miss him but I am grateful for the magnificent effort he put in for us. It was a sudden and quick passing and for that I am grateful. I have many wonderful memories and have done so many successful events with him.

We have a number of opportunities to explore with the Royal Show Society and local shows which I hope to start on this month in preparation for next year. I don't want to over fill the annual events calendar but in conjunction with SA Working Draft Horse Association we have a complimentary set of events that promote our breed.

Our Facebook page is up and running, please feel free to post and share.

Clydesdales South Australia CCHS SA Branch

Finally I am pleased to announce that I was elected as one of the Vice-Presidents on the CCHS Federal Council. I am well aware that there are much more deserving and experienced people both on our State committee and Federal Delegates list who deserve the honour of Vice President well before me. I am humbled by their desire to guide me and I can see this is a way they can get someone of my age group intimately involved and experienced in the mechanisms of the Council and Society. I am very blessed to have the support both at a State level and nationally from my much more experienced peers who are willing to give the much needed advice and time that I need.

Thank you again for your trust in me and I will do everything I can to not disappoint.

Russell March

FEDERAL MEETING SUMMARY

Kerry-Anne and I travelled to Melbourne to attend the Federal AGM and General Meeting held on the 26th September at the Melbourne Show grounds.

The day before the meeting we attended the judging of the Clydesdale breed classes in the indoor arena. The show was of the highest quality with good numbers of horses competing, nowhere near the numbers shown in years gone by however, but still over 40. Judging started at midday and did not finish until after 6pm. Aarunga Mark again succeeded as Supreme Champion Clydesdale.

At the meeting we were welcomed by the chair, and other committee members also made us feel very welcome.

During the elections at the AGM I was honoured to be nominated and voted in for the one of the positions as Federal Vice-President.

At the General Meeting, the previous meeting's minutes were submitted and accepted.

There were a number of issues raised at the meeting which I will summarise briefly. Further details will be submitted at our next SA branch meeting.

We had a brief visit by a non-member who wanted raise the Committee's awareness of a member supposedly bringing the CCHS into disrepute. The matter was discussed and it was moved that it did not involve CCHS and unless ownership could be proven no transfers would take place.

NORMAL MEETING BUSINESS ARISING

Constitution and Bylaws. Concerns over 21 day notification not given prior to change.

Federal Judges panel "Working with Children" clearances—Some judges did not feel they needed to do this and also complained. Some actually resigned from their Federal judging status. A sad response to changing times where most show societies require proof of "Working with Children" clearances. Some did not understand the process and needed assistance but this is to be expected due to an unprecedented change such as this.

Grievance matters QLD and WA both cases considered closed.

CCHS marketing, Web and Facebook

Web page needs overhaul with different pictures. Rod Bowles requested more images.

All images from different states will be sent to Barb and Louise Scott to be added to the web site.

SA notified that we now have a Facebook page.

Outcomes of registration difficulties.

Mostly all resolved but a bit slowly. Just one outstanding because of incorrect DNA results requiring further investigation.

Financial report — Moved and Accepted.

Remuneration of Secretary

Raised as requiring increase with inflation but Rod was concerned due to the current lack of financial viability of the Federal Council.

FEDERAL MEETING SUMMARY continued

Correspondence

Review "Working with Children"

Peter Jorgenson nominated for Federal Judging Assessment(Accepted)

Letter regarding Federal Judge questionnaire from Colin Cox

Various Newsletters and member lists

Colin Brown - Grading up proposal and Steven Wesselink - Grading up proposal

Colin had nominated a proposal for a grading up system which another member notified the Committee that he felt it was unconstitutional due to the motion not being advertised 21 days prior to the AGM.

Though a technicality Colin brown accepted the member was right and withdrew the proposal but resubmitted a second proposal 'for discussion' not to be voted upon.

This second proposal topic took a lot of time to discuss with the Delegates fairly split over the facts. As previously discussed at our meeting in SA we support the motion in principal but many fine points needed to be determined. What Colin wanted the Executive and Delegates to see was that this Grading up scheme is already in place internationally and is in fact much more open than what he is proposing. Many horses in Australia now carry these bloodlines of upgraded horses from Scotland. He only wished that we control this, not Scotland.

Internationally they can use any Clydesdale 'type' Stallion over a pure Clydesdale Mare to produce a 1st generation upgrade.

Any Male progeny must be neutered.

1st generation upgraded females can only breed with pure Clydesdale Stallions to produce a second generation upgrade.

2nd generation male progeny must be neutered

2nd generation Females can only be bred with pure Clydesdale stallions to produce registerable progeny as Full Clydesdale.

This in effect means the progeny that could then be registered would be 7/8 Clydesdale.

Colin proposed that we use only 'Pure registered Shires' approved by the Committee before they can be used in the upgrade process.

Most of the complainants had progeny as a direct result of the international upgrade system but were concerned on the 'purity' of the Australian Clydesdale type. Due to this confusion and a lot of discussion, argument and debate it was decided to let members investigate information on breeding up prior to the Sydney General meeting and arrange a member's workshop to present information. This will then be reviewed at the Sydney meeting before a proposal is submitted at the next AGM.

Bob Pearce was one of the main protestors and he did apologise to me post meeting for his outbursts but he is passionate about the Australian Clydesdale.

Reports and Updates

Guidelines handbook nearly complete

DNA sub-committee continues

Insurance – Benton's concerned with the direction of rebates staying with Federal.

100 years sub-committee on track for 2018

State Branch reports were submitted informally as we ran overtime and had to vacate the meeting room. We adjourned to the horse arena lunch rooms.

Max Fowler award discussed. Guidelines requested for the award to be sent to State Committees.

FEDERAL MEETING SUMMARY continued

Other Business

John Valada from WA was nominated for his Federal Judge re-assessment. Moved to allow him to be re-assessed. Accepted.

Mrs T Cox resigned as a Federal Judge.

On a side note there was much discussion as to the direction of showing across Australia with numbers dwindling and Royal Show Societies being less helpful. Ideas to boost and promote were welcome. Members were also concerned at the lack of younger exhibitors and breeders, which in effect are the future of the Clydesdale breed society. Hence the great support Kerry-Anne and I received at Federal.

I am well aware that there are much more deserving and experienced people both on our State Committee and Federal Delegates list who deserve the honor of Federal Vice President well before me. I am humbled by their desire to guide me and I can see this is a way they can get someone of my age group intimately involved and experienced in the mechanisms of the Federal Council and the Society. I am very blessed to have the support both at a State level and Nationally of my much more experienced peers who are willing to give the much needed advice I need.

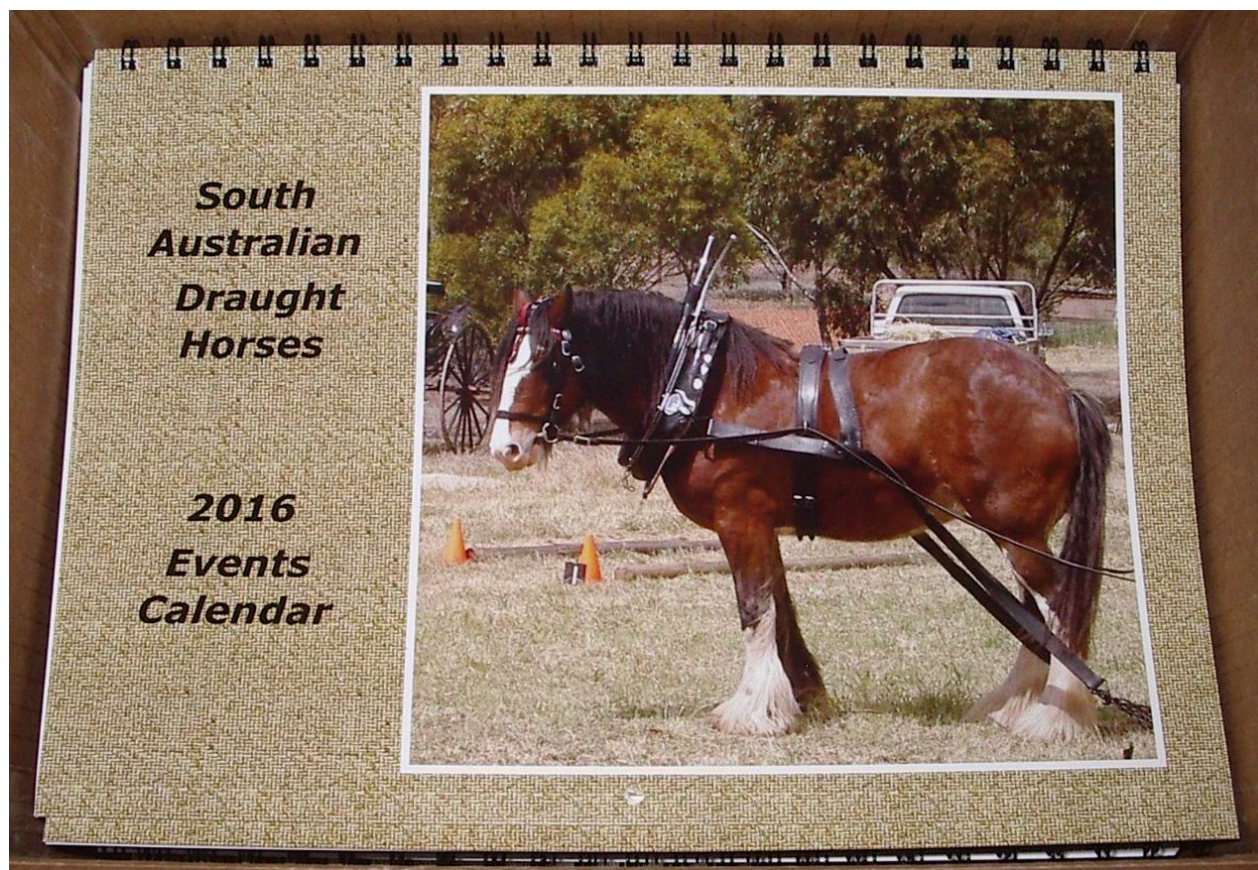

Thank you again for your trust in me and I will do everything I can to not disappoint.

In Summary, we need to:

Submit images to federal to update the current website.

Our Committee needs to submit a list of SA State level recognised judges.

Discuss the grading up proposal for introduction of new blood.

CCHS/SAWDHA 2016 calendars
\$10 each for members, \$12 each for non members
Contact Marj for your copy

Bell Springs Lodge

Saturday 30th & Sunday 31st January 2016

Arrive at 9.30 for a 10 am start — Concludes at 4 pm

MAKING & REPAIRING COLLARS

If you've got a Collar that looks like this

And you want it to look like this

Then come along and learn how to fix it!

Ross Pollick is an experienced collar and harness maker and restorer who has agreed to spend some time in Adelaide sharing his knowledge with people interested in learning how to make and repair collars and other pieces of horse harness

Techniques will be demonstrated on each day

Lunch will be provided at noon and a BBQ meal will be provided at the end of each day at 5 pm

RSVP by 17th January 2016 to:

Heather Hartley on 0401691329

Booking & Catering

A payment of \$10.00 per day for attendees will need to be made by 17th January 2016 to confirm your seat. Payments can be made via EFT— Contact Heather for the details

Please advise Heather of any dietary requirements when booking

Venue directions from Woodside are:

Head to Charleston. Turn Right at Newman Road. Go to the end and turn Left into Lewis Road. Then turn Right on to Bell Springs Road (dirt road). Heather's house is 2.1 kms on the left . (Bell Springs Lodge).

CLYDESDALE STALLIONS AT STUD

Highgate Flash Benjamin

Stud Fee - \$700.00

Height: 16.3hh DOB: 24/10/2002 CCHS Registration: 7953

Sire: Benwerrin Hallmark Dam: Highgate Jean Armour

Hugo is registered with the Commonwealth Clydesdale Horse Society and has won numerous Supreme Champions due to his good looks, conformation and amazing temperament.

Hugo is also a working stallion and regularly performs in working draught horse events such as long reining, log snigging and pulling harrows. Also trained to harness and competes in ridden events. Hugo is also helping riders to regain their confidence due to his kind and quite nature.

Hugo is sensible and nothing phases him including riding up and down the busy Victor Harbor Road!
He is a gentleman and has the up most respect for people and his mares, a real Casanova!

Hugo participated in the 2015 Barossa Vintage Festival in a team of 3 pulling a german wagon for Jacobs Creek in front of thousands of people! Nothing phased him!

If you are looking to breed a strong eventer with exceptional temperament or a top quality Clydesdale for the show ring or for any of the above disciplines then Hugo would be the perfect choice.

Additional Costs - Agistment \$40.00 per week which includes oaten hay feed twice a day

All vet fees at the mare owners expense
